Take a look at the calendar in the Church Center App!

If you haven't taken a look at the calendar in the Church Center App lately, I encourage you to do so - it seems as though there is something going on somewhere that our congregation is or should be involved in or helping out with! Our congregational survey overwhelmingly showed your desire into being involved - and there are many opportunities to do so! If you need help with the app, or adding information to it once you have it downloaded, let Julie Bell know - she'd love to help you out! Email her at julie@branson.church

ATTN LADIES!!! Our next Women's Brunch is scheduled for 9:00 am on Saturday, March 2 - immediately before our very first ever Praise & Worship Food Distribution Day!! You might wonder if that was intentional so there would already be workers here when Christian Action Ministries arrives with food for the distribution, and it wasn't....but we decided that rather than change our Brunch date, we'd do the thing God would have us do and volunteer to help out with the day's activities!! We're not exactly sure what this is going to look like, but we are certain that the more hands we have helping, the lighter the task will be. More information on both of these activities to come!

****Update from last night:** we will probably reschedule the Brunch - the **men** would like to have their breakfast at this time & already be here to help! **NICE!!! Stay tuned.....More to come!**
